

GROUP INTERVIEWS

Jenny Y7

I liked speaking with my fellow pupils and seeing their point of view

Molly Y7

I enjoyed listening/giving contributions to the discussions and opinions given

Violet Y7

I enjoyed listening to the contrasting opinions of my fellow pupils

Chelsea Y7

We discussed all opinions from all types of views. We covered all elements of the FPQ and I am now very confident with my project.

Isla Y7

I found it very helpful to learn about how other people found the FPQ

Pippa Y7

It's great getting to discuss your ideas with others and it's great finding out more research

Daphne Y7

It has helped me understand why I have done the FPQ and why I am committed to it.

Iris Y7

Not anything in particular

Genevieve Y8

It would be nice if there were snacks.

Cordelia Y8

It would be nice if there were snacks.

Mary Y8

I feel that I learnt a lot about others' experiences doing a project and felt a bit better about how I coped with the project.

Llio Y8

I enjoyed taking part in the focus group discussion because I liked finding out how other people found the FPQ and also if I do it again I know how to improve it.

Melissa Y8

It was a really interesting insight into how others felt about the project and even helped me understand my emotions towards my own experiences.

Sarah Y8

I feel like this has really helped me and made me more confident and aware of the project.

Lauri Y8

Overall, I really enjoyed doing the discussion. It really helped me understand others situations as well. I was able to say my opinions without being judged.

Fatima Y9

Before the discussion I hadn't really thought about the project affecting me. However, the discussion helped me focus on the benefits of the project and encouraged me to work harder next year.

Martha Y9

Before this discussion I didn't talk to people about their projects and their experience so this helped me find out about other people's perspectives and showed me that others were feeling the same way throughout the project.

Teresa Y9

After having the discussion, I realised that the project helped me a lot and developed my learning techniques and presenting techniques massively.

Lydia Y10

I think this will help me with my EPQ as I've reviewed my HPQ and FPQ with other people

Lucy Y10

This interview has been highly enjoyable and has felt very rewarding. I intend to do an EPQ and will highly enjoy it now I have had this interview and been able to talk to peers about it.

Ana Y10

I enjoyed the discussion and I got many points across & I took on board other people's points

Emily Y10

Being able to discuss projects with others was good, especially in the focus group. Having between 3-5 people made it feel as though it was safe to share without judgement, and that our views were heard.

Meghan Y10

The size of the focus group (3) was good as it allowed a good amount of input from each person involved.

Fleur Y10

It was interesting to see other people's views on the FPQ and HPQ. It also gave me the chance to share my own experiences.

INDIVIDUAL INTERVIEWS

Violet Y7

I found that the meeting was very useful because it encouraged me to reflect on my FPQ project. I also found that the questions made me think really hard and made me surprise myself with my own opinions.

Mia Y9

The interview made me think of my project so when I do the next one I can improve more.

Johanna Y9

I found it interesting as I discussed some points I hadn't yet discovered as I haven't talked about the project until now.

Luna Y10

It was interesting to reflect on my project and its impact on me months after its completion. It has made me think more about the consequences both positive and negative, but has also given me a sense of pride about completing it.

Nora Y11

It was useful to look back at the project I had done.

Elizabeth Y12

Thank you for inviting me to take part!

Rose Y12

It's been very helpful in getting me to review my viewpoints and perspectives, and to determine my progress with the EPQ thus far.

Jasmine Y12

The interview helped me look into my EPQ and the choices I have made in more detail and acknowledge how helpful the EPQ is in aiding my success in other areas.

Jessie Y13

I had a great time, it was nice to realise that I should be proud of what I've done.

Harry *alumni*

Enjoyable to talk with someone about the project and my experiences studying history.

Erin *alumni*

Very interesting and thought-provoking interview. Thank you for having me alumni

Karl *alumni*

A very good interviewer.

George *alumni*

It was nice to just talk through the EPQ and talk about more general things too.
